

RESEARCH & ETHICAL COMMITTEE

For any education Institution, the basic model of a ‘teaching only’ institution is inadequate to ensure quality education. In all the disciplines of education, knowledge is dynamic with new technologies being introduced very frequently. In this scenario, it is not possible for the teachers to deliver good quality instructions without being tuned to the current developments in the subjects. They are required to constantly update their knowledge. A well-recognized way to deal with this paradigm is to be an active researcher in the areas in which they interested and to make them understand the past and recent developments in their subject areas. To inculcate the research and innovative skills among faculty and students a Research and Development cell was established at SAM GIRLS COLLEGE .This Committees provides a platform for creativity and innovation to flourish young minds in Institute and serve the society.

Objectives:

- To foster scientific thought among the faculties and students.
- To generate innovative ideas on academic and social problems.
- To Encourage, Coordinate and Implement Research and Development Programs (workshops/ seminar/ trainings) in the institute.
- To create awareness on budding technologies and updates in varied field.
- Provide scope for faculty and students to work on latest evolving technologies with industry standards through consultancy projects
- To identify and inform researchers about the appropriate research opportunities .
- To encourage and facilitate the publication of the research work/projects in reputed academic journals and reputed conferences.
- To prepare and implement a research quality assurance mechanism for ensuring that all research activities of the college conform to standard quality specifications.

Functions:

- Provide assistance to faculties, research scholars and students in filing research proposals for grants from various funding agencies.
- Creating awareness and motivating researchers to work in emerging domains.

- Assistance in Publications of research work in Research Journals.
- Research Proposals for different funding agencies.
- Participation and Organizing Conferences, Workshops and SDF/FDP.
- Participation in Collaborative Research work, e.g. VAP /Industrial Training.
- Encouragement for Higher Education.
- Signing MOU with Industries and Research Organization

Composition:

Chairperson	Dr. Neetu Bajpai, Principal SAM Girls College
Coordinator	Dr. Manish Mishra
Co-Coordinator	Dr. Rucha Rawat
Members	Dr. Rashmi Jain
	Dr. Rashmi Mishra
	Dr. Alka Gupta
	Dr. Subodhani Gupta
	Dr. Shweta Adlak
Alumni Representative	Ms. Priya Archarya
Student Representative	Ms . Priyanka Sharma
